Government of Tripura
Forest Department

NOTIFICATION

Subject: Guideline for sale of surplus seedlings from Forest nurseries.

Government of Tripura has decided to allow sale of surplus seedlings from Forest nurseries at a rate Rs. 1.00 (one rupee) per seedling in order to promote the tree cover as well as the biodiversity in the State of Tripura. It was also decided that Forest Department will formulate guidelines in this regard. Accordingly, the following guidelines are formulated:

1. The surplus seedlings, species wise, in each nursery is to be notified by the DFO’s in department’s website as well as notice boards in the 1st week of April and October (after six months) every year.

2. The seedlings are to be sold to land owners who intend to plant trees in their own lands. Not more than 100 seedlings may be given to one applicant at a time.

3. This will remain operative during the planting season from April to September of each year.

4. The permission to sell the seedling may be granted by SDFO on the recommendation of Range Officer concerned.

5. The Range Officer shall maintain a separate register mentioning the date wise details of buyer, no of seedlings supplied, revenue earned, along with GP details, permission number and date.

6. A new service, called e-nursery has been incorporated in the Forest Dept. website at https://foresttripura.gov.in and this service links together Forest Dept. nurseries in the State and provides information on availability of seedlings and contact details to the persons desirous to procure these seedlings from the nursery site. The buyer shall collect the seedlings from the nursery site after due payment.

7. The rate of Rs. 1.00 (one Rupee) per poly bag will be extended for plantation to be done within the State only.

8. DFOs will maintain month wise records.
