Main Module/ Complete End to End cycle of e-Auction

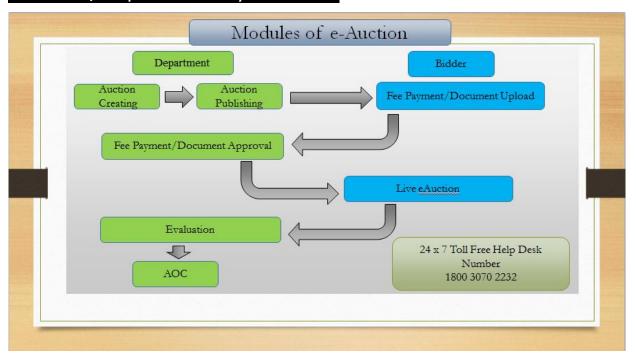

Website Details for e-Auction

URL: https://eauction.gov.in

System Requirement

- ➤ **Operating System-** Windows XP with Service Pack 3 or Windows 7 or Windows 8
- ➤ **Browser-** Internet Explorer 8 or above, ActiveX/JavaScript should be enabled. Turn off the 'Pop Up blocker' i.e. Allow 'Pop-Ups'.
- ➤ **Java Runtime Environment(JRE) -** JRE Software available in https://eauction.gov.in portal in download section
- ➤ **Digital Signature Certificates-**
    - Digital Signature Certificate (**Signing** & **Encryption Certificates**) of type **Class 3** issued by any Certifying Authority (CA) under Controller of Certifying Authorities (CCA) of India.
    - DSC drivers are installed in the system.
    - DSC should be procured/purchased at least one day in advance before enrollment in the portal
- ➤ **Internet-** Dedicated Broadband Internet connection with **minimum 1 mbps speed or above**.

General Procedure

1) Procure a Class-3 type of DSC (Digital Signature) from any authorised CCA certified Agency.
2) Install Internet Explorer 8 or above in your system.
3) Install Java software available in https://eauction.gov.in portal in download section.
4) Install DSC (Digital Signature) driver available in the DSC itself. If driver is not available, ask the DSC providing Agency to provide the driver, otherwise it can also be downloaded from internet.
5) After configuring the system (as mentioned in Sl. 1 to 4), bidder needs to Enroll himself in the e-Auction portal. Details of Enrollment process are given in the PPT (available at Forest Department Website).
6) After completion of Enrollment process, bidder needs to register the Digital signature. Details of registration process are given in the PPT (available at Forest Department Website).
